

ILLINOIS BONE AND JOINT INSTITUTE, LLC

# Industrial Rehabilitation

Illinois Bone and Joint Institute Rehabilitation Services proudly support our physicians in delivering cutting edge Industrial Rehabilitation as part of our comprehensive Physical and Occupational Therapy programs.

The therapist's ability to interact with physicians on a daily basis gives us a unique advantage that is critical in Case Management, one that helps to decrease the amount of time a patient is away from work.

- ⚙️ Our **Functional Capacity Evaluations** use sophisticated and proven testing with a high level of malingering diagnostics. The report consists of a comprehensive and succinct summary that is guaranteed in 24-hours.
- ⚙️ Our **Work Conditioning** clinics are located throughout the Chicagoland area and include an individualized program for 3-4 hours a day, 5 days a week.
- ⚙️ We also provide on-site **Ergonomic Assessments** throughout the area, from office assessments to manual labor work stations.
